

	COOKIES POLICY AXEL TECHNOLOGY WEB SITE	 ISO 9001:2008
version 1.0	DATE: October 2015	Page 1 of 2

From Axel Technology s.r.l. ("Holder") to user(s) of the Site <http://www.axeltechnology.com>

0. A cookie is a small piece of data that is used to store information on your computer's browser or program data subfolders when you visit a website, such as the Site. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the Site.

1. No personal data (in forms other than anonymous) user data is acquired by the Holder, subject to the need to compile a database of the activities carried out through the website and other preferences or guidelines in the context of execution of the services rendered on the Site.

2. The Web site uses only cookies (text files stored on your device) and technical session, suitable for use limited to transmitting session identifiers suitable safe and efficient use of the Site, to the proper navigation, the proper functioning of the website. Cookies technicians used are not stored persistently in the computer systems of the user, being deleted when browser is closed. These cookies are technically necessary to enable a safe and efficient exploration of the site.

3. Cookies are not adopted by the tracer type, persistent or user profiling. Cookies are adopted instead of third, analytical, adopted to derive in a completely anonymous and aggregate statistics, in favor of the owner and the same third-party suppliers. The third-party suppliers of such cookies (with related information) are as follows:
- Google Analytics: statistics anonymous cookies - privacy policy found here: <http://www.google.it/policies/privacy/partners>; in order to disable analytical cookies and to opt out of being tracked by Google Analytics across all websites, you can download the Google Analytics Opt Out Browser Add-on: tools.google.com/dlpage/gaoptout.

These cookies are not a tool of Holder's ownership. If you'd prefer that Google Analytics does not use the data collected in any way you can: a) use anonymous surfing (Do Not Track option) of your browser; to know how to turn the option on the main search engines click on the browser that you are using Internet Explorer, Google Chrome, Mozilla Firefox, Apple Safari; b) choose to disable Google Analytics on your browser by installing the add-in for deactivation.
