Welcome to the www.axeltechnology.com web site (hereinafter, the "Web Site"). The following Terms of Use govern your rights and duties as users of this Web Site, so please read them carefully. This document defines the general terms and conditions that govern the use of this Web Site by the user (hereinafter, the "User").

1. Controller involved in the management of the Web Site and in the provision of services

The User acknowledges that the Web Site is managed by Axel Technology, with registered office in Anzola dell'Emilia (BO), via Caduti di Sabbiuno 6/f, tax code 01735031203 (hereinafter, the "Data Controller")

2. Acceptance of Terms of Use

By accessing or using this Web Site the User agrees to be legally bound by the Terms of Use and all terms and conditions contained or referenced therein. If you do NOT agree to all of these Terms of Use, you should NOT access or use this Web Site. Use of the Web Site shall be construed as a full and irrevocable acceptance of these Terms of Use. These Terms of Use may be amended and posted again at any time, simply by updating this page. By continuing to access or use the Web Site after such posting, you will be deemed to have accepted such amendments. You are therefore advised to regularly review any applicable terms and conditions.

3. Privacy Policy

As a consequence of the use of the Web Site, or by virtue of having sent an e-mail through the "Contacts" section or to an e-mail address posted on the Web Site, personal information concerning identified or identifiable people might be collected and processed. Any personal information posted by the User shall be protected by safety measures adopted to guarantee that any data shall be processed pursuant to the Personal Data Protection Code, as established by D.Lgs. 196/2003 as subsequently amended. The Web Site's Privacy Policy shall be considered an integral part of these Terms of Use.

4. Use of the Site's Contents

The right to use the Web Site and any of its contents or other documents posted on it is subject to the User's acceptance of and compliance with these Terms of Use. Any use or amendment of the contents of the Web Site or of any other document posted in the Web Site for unauthorized purposes under these Terms of Use may constitute an infringement of Copyright or of Trade Marks and is therefore forbidden. The Web Site can be used exclusively for personal, non-business, purposes. It is in any case forbidden to copy, reproduce, post again, download, show, transmit, disseminate or use the contents and any other documents contained in the Web Site without the explicit authorization of the Controller.

	<h1 style="margin: 0;">SITE POLICY</h1>	 ISO 9001:2008
version 1.0	DATE: October 2015	Page 2 of 3

The user can use the Web Site and its contents exclusively for legal purposes and pursuant to the regulations from time to time in force. In particular, the User accepts not to:

_ use the web Site for purposes that may cause harm to any person or property;

_ use software and programs that may damage the Web Site; _ violate any legal rights of any third parties

If the Controller - at its sole discretion - is of the opinion that a User has violated one of the obligations included in these Terms of Use, it shall proceed, without any liability whatsoever towards the user, to take all necessary legal actions that shall be deemed necessary to re-establish legality and obtain damages.

5. Copyright and Trademarks

All content, including, without limitation, text, graphics, trademarks, logos, images, audio clips, databases or software, on the Web Site is protected by the copyright law n. 633/41 and is the property of the Controller or of its suppliers, and the Controller is expressly licensed for their management. For this reason the User cannot copy, amend, change, post, publicly promote, disseminate, sell or transfer any material, database or program strings posted on the Site, fully or in part, without the written authorization of the Controller.

6. Limitation of Liability

In no event shall the Controller be held liable, directly or indirectly, for any loss or damage of any kind arising out of or in connection with the use of this Web Site. By accepting these terms of Use the User undertakes to indemnify and hold harmless the Controller and each of its respective employees, directors, agents, from and against any damages, liabilities, costs and expenses that arise out of any violation of these Terms of Use, of any legal obligations or of the rights of third parties by the User. The Controller does not warrant that the Web Site or its functions shall be available without interruption or provided error-free, or that any defects shall be corrected, or that the Web Site or the services which make this Web Site available are free from viruses or any other harmful elements. The Controller is entitled to suspend the service due to extraordinary maintenance activities, for the period of time that shall be necessary to complete the maintenance. The Controller shall not be liable for any direct and/or indirect damages suffered by the User because of a suspension of service, due to force majeure or to structural, organizational or maintenance requirements regarding the Web Site.

7. Third Party Sites

The Web Site might contain links to other web sites, not managed by the Controller. The Controller obviously has no control over such sites, and is therefore in no way responsible for their contents.

8. Applicable Law

The User acknowledges and accepts that the Terms of Use shall be governed by Italian Law. The User agrees to the exclusive jurisdiction of the Italian courts for any disputes arising out of, or relating to or in connection with these Terms of Use or this Web Site, which shall be submitted exclusively to the courts of Bologna, Italy. If any provision of these Terms of Use is held to be illegal, invalid or unenforceable, then the illegal, invalid or unenforceable provision will be deleted in this agreement and the validity and enforceability of the remaining provisions shall remain untouched. This document constitutes the entire agreement between the parties with regard to its subject matter.
